REQUEST FOR PROCEDURAL  
CONFERENCE

Qwest Corporation ("Qwest") requests that a procedural conference be set as soon as possible to discuss the issues raised by Qwest's Application For Approval Of 2007 Additions To Non-Impaired Wire Center List And Motion For Expedited Issuance Of Protective Order filed on June 22, 2007 (the "2007 Additions Application").

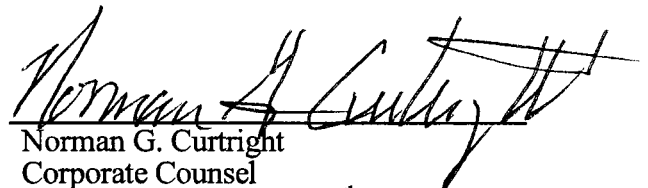

The 2007 Additions Application was filed by Qwest as a new Application. The Application involves data from different time periods than were involved in the First Wire Center Docket. There has not been an order consolidating the 2007 Additions Application with the First Wire Center Docket, or any request for consolidation to Qwest's knowledge. However, the 2007 Additions Application was apparently administratively entered into Docket Nos. T-03632A-06-0091 et al. (the "First Wire Center Docket"). While there is a protective order with respect to data submitted by parties in the First Wire Center Docket, in

1 Qwest's view, absent an order directly extending that protective order to information relevant  
2 to the 2007 Additions Application, there is not currently any protective order in place that  
3 will permit Qwest to file confidential information with respect to the 2007 Application.

4 Specifically, and without limitation, Qwest asks that the Procedural Conference be called  
5 to (1) address whether the 2007 Additions Application has been appropriately docketed into the  
6 First Wire Center Docket, absent an order of consolidation; and (2) the issuance of a protective  
7 order with respect to the confidential and highly confidential data Qwest will submit in support  
8 of the 2007 Additions Application.

9 RESPECTFULLY SUBMITTED this 29th day of June, 2007.
